Certificate of Internship

This is to certify that **Mr Thalha Ahamed T**, pursuing B.Tech – Artificial Intelligence and Data Science at B. S. Abdur Rahman Crescent Institute of Science and Technology, has successfully completed his internship from **20/08/2025 to 04/09/2025** at Southern Alloys, where he contributed to the development of a Business Management Software project.

During the internship, he was involved in:

- Designing and documenting system architecture and technical workflows for project implementation.
- Developing and optimizing interactive web applications using the React framework with TypeScript.
- Implementing efficient scripts to automate routine processes and improve system performance.
- Collaborating with the technical team to test, debug, and enhance overall application functionality.

We found Thalha Ahamed T to be a dedicated, proactive, and quick learner who made a meaningful contribution to the project. We wish him continued success in all his future endeavor.
